566 Ruin Creek Road, Henderson, North Carolina 27536 | **252.438.4143**

*At Maria Parham Health, our goal is to provide the highest quality healthcare available in the north central North Carolina and Southside Virginia region as we work to make our community healthier.*

—Bert Beard, CEO

At **Maria Parham Health**, we spent 2016 exploring ways to advance our mission of making the communities of north central North Carolina and southside Virginia healthier. And by focusing our efforts on creating a place where people choose to come for healthcare, physicians want to practice and employees want to work, our more than 90-year legacy of caring for our communities is stronger than ever.

**Inviting the best physicians into our communities and supporting them** is one of the most important drivers of our ability to offer the best possible healthcare to our community. During the past year, Maria Parham Health added **four new physicians** in family medicine, hematology/oncology, orthopaedics and wound care, and a **new certified nurse midwife** in women's care.

And while **delivering high-quality patient care close to home** is the single most important contribution we make, there are many other ways we're making a positive impact in our communities.

**In creating excellent workplaces for our 709 employees**, we made **\$5,209,089 in capital improvements** in 2016, including upgraded patient monitoring and nurse call systems, advanced surgical equipment, and a complete move and renovation of our advanced wound center. In addition, we managed and distributed an **annual payroll of \$47,115,868**.

We are proud to take a **leadership role in our communities** and are committed to delivering needed healthcare to everyone, regardless of their ability to pay. In fact, in 2016 we donated **more than \$7 million in healthcare services to those in need**.

We are also committed to **ensuring fiscal responsibility** – both at the hospital and in the community. In 2016, we paid a total of **\$4,511,358 in taxes**, as well as provided numerous sponsorships and donations to local organizations.

## Duke LIFEPOINT HEALTHCARE

*Charity and other uncompensated care includes hospital costs not covered by Medicaid reimbursements and supplemental payments, as well as charity care and bad debt. "Physician recruitment costs" include recruitment costs and support of new physicians' initial practice establishment in the community. Payroll includes consolidated salaries, wages, benefits and contract labor costs. "Capital investments" include facility expansions/renovations, equipment purchases, technology replacement, information technology additions/updates, and routine facility upkeep and maintenance. All references to "LifePoint," "LifePoint Health" or the "Company" used in this release refer to affiliates or subsidiaries of LifePoint Health, Inc.*

*Duke LifePoint Healthcare, a joint venture of Duke University Health System, Inc. and LifePoint Health® (NASDAQ: LPNT), was established to build a dynamic network of hospitals and healthcare providers. The joint venture, which brings together LifePoint's experience in community-based hospital management and Duke's world-renowned leadership in patient safety and clinical quality systems, is strengthening and improving healthcare delivery by providing community hospitals the clinical, quality and operational resources they need to grow and prosper.
