

# Lifepoint Health

Lifepoint Health is a leading healthcare provider that serves patients, clinicians, communities, and partner organizations across the healthcare continuum. Driven by a mission of *making communities healthier*®, the company has a growing diversified healthcare delivery network comprised of community hospital campuses, rehabilitation and behavioral health hospitals and additional sites of care, including managed acute rehabilitation units, outpatient centers and post-acute care facilities.

## Our Team

- Nearly **55,000** employees
- More than **12,000** registered nurses
- Nearly **3,000** employed and contracted providers

## Our Patients

- **11 million** patient encounters
- **300,000** inpatient admissions
- **10 million** outpatient visits

## 2023 Highlights

- Increased registered nurses at bedside **8.5%**
- **\$229 million** in capital investments
- **\$1.3 billion** in charity and other uncompensated care
- **48 million kWh** reduction in electricity consumption of same-facility acute care hospital portfolio

## Our Mission

*Making communities healthier*®

## Our Vision

Our vision is to create places where people choose to come for healthcare, physicians and providers want to practice and employees want to work.

## Our Values

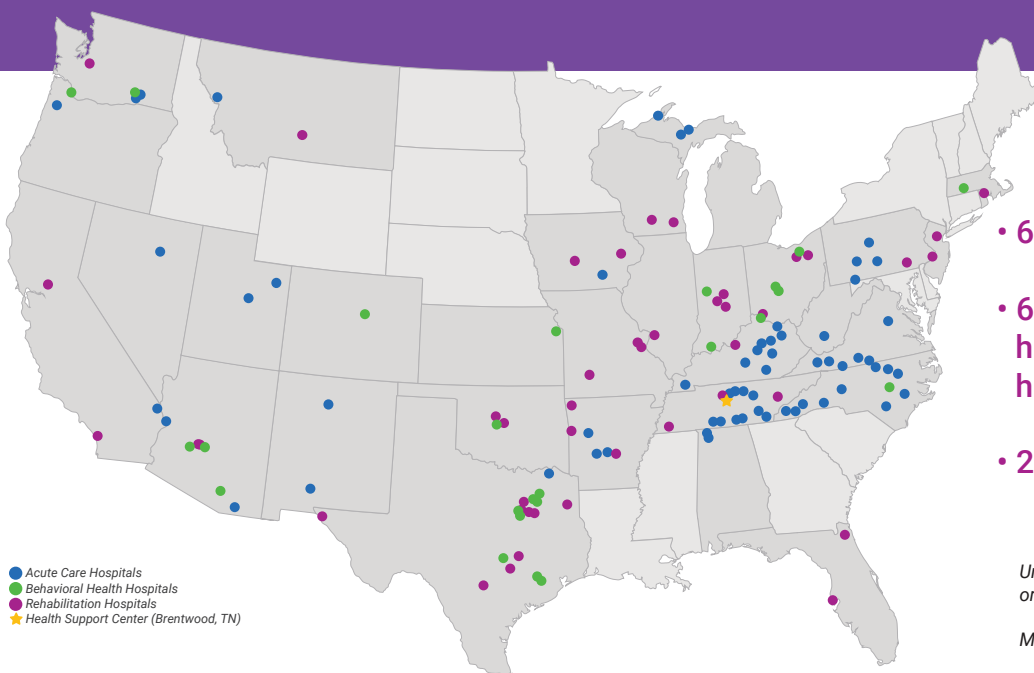

Champion Patient Care

Do the Right Thing

Embrace Individuality

Act with Kindness

Make a Difference Together
