

# 2025 Community Benefit Report

**Lifepoint Health is a leading diversified healthcare delivery network driven by a mission of *making communities healthier*.**® We care deeply for our patients, employees, providers, partners and the communities we serve across the nation, and strive to have a positive impact in all the places we call home. Our community-based acute hospitals, inpatient rehabilitation hospitals, behavioral health hospitals and additional sites of care are dedicated to providing high-quality, compassionate care and serving as pillars of support for their communities.

We recognize the crucial role a thriving healthcare system plays in supporting the economic health and development of a community, and our organization is proud to be a strong partner in the regions we serve. Our annual Community Benefit Report shows the broad scope of key investments.

In 2025, we had  
a total economic  
impact of more than  
**\$6.9 billion.**

|                                                                                                                    |                        |
|--------------------------------------------------------------------------------------------------------------------|------------------------|
| <b>Charity and other uncompensated care</b><br>(Includes charity care, uninsured discounts and uncompensated care) | <b>\$1,780,228,588</b> |
| <b>Community benefit programs</b>                                                                                  | <b>\$41,514,323</b>    |
| Financial and in-kind contributions                                                                                | \$6,632,942            |
| Education and professional development                                                                             | \$12,934,199           |
| Tuition reimbursement                                                                                              | \$3,664,253            |
| Community health services                                                                                          | \$2,297,525            |
| Physician recruitment                                                                                              | \$15,985,405           |
| <b>Taxes paid</b>                                                                                                  | <b>\$419,666,259</b>   |
| Property and other taxes                                                                                           | \$102,622,704          |
| Payroll taxes                                                                                                      | \$267,368,484          |
| Sales taxes                                                                                                        | \$49,675,071           |

**Funded more than  
\$369.3 million in  
capital investments**

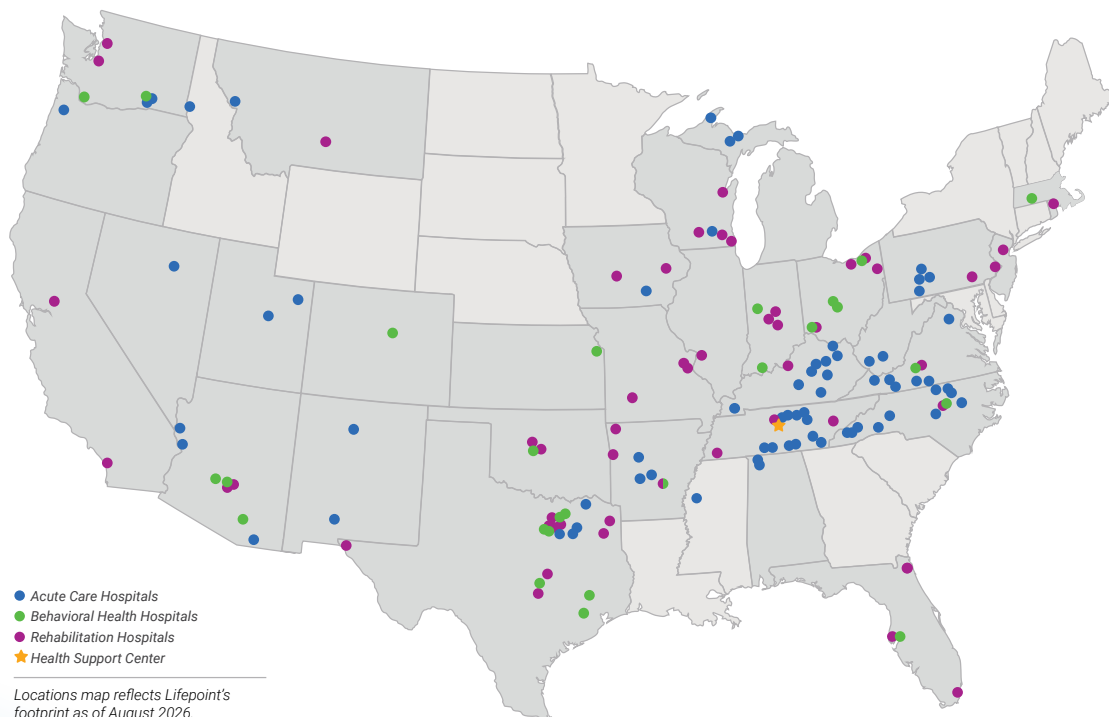

**Distributed a payroll  
of nearly \$4.6 billion  
to our employees and  
providers**

### Our Mission

***Making communities healthier®***

### Our Vision

**We want to create places where:**

- People choose to come for healthcare
- Physicians and providers want to practice
- Employees want to work
